12.04.2017 Celebrating International Day of Persons with Disabilities

Observance of UN Enable Day aims to promote an understanding of disability issues and mobilize support for the dignity, rights and well-being of persons with disabilities.

Join us for activities between 1:00 and 6:30 p.m. at the Rochester Civic Theater

Program Objectives:

- Create inspiration that drives action in improving lives of people of all abilities within our community.
- Increase awareness and acceptance for people of all abilities in all capacities of life (work, live, learn and play).
- Support employment opportunities for candidates of all abilities to reflect our community and patient population.
- Showcase the talents of people with disabilities within our community and recognize their accomplishments.

Program Partners:

Mayo Clinic Office of Diversity & Inclusion, disABILITY Mayo Employee Resource Group, Rochester Area Chamber of Commerce, Opportunity Services, MaxAbility, Workforce Development, Inc., Diversity Council, and Destination Medical Center.

We hope to see you there!
