Mission

The Arc Minnesota Southeast Region promotes and protects the human rights of people with intellectual and developmental disabilities, actively supporting them and their families in a lifetime of full inclusion and participation in their communities.

About

In Southeast Minnesota The Arc has a long history of being a primary, life-long resource and advocate for people with intellectual and developmental disabilities and their families. Disabilities may include autism, cerebral palsy, Down syndrome, fetal alcohol spectrum disorder, fragile X, Williams syndrome. We are a person-centered, person-first organization.

Your Help

Our programs, services and public policy leadership generate community change and connections that support people with intellectual and developmental disabilities (I/DD) and their families in creating a good life. Our goal is for people with I/DD to live full and satisfying lives as valued and engaged members in their communities.
